

## **CEU THESES/DISSERTATIONS SUPERVISED BY BRANDON P. ANTHONY**

### **Doctoral (supervisor)**

1. *Human-wolf conflict and management solutions in the Western Carpathians*  
Dissertation author: Andrea Gagyí Pálffy  
Year of enrollment: 2015/2016
2. *Status of Concept Implementation and Management Effectiveness of Biosphere Reserves in the Arab Region*  
Dissertation author: Diane Matar  
Year of enrollment: 2011/2012
3. *Key Determinants of Conflict between People and Large Carnivores in Rodna Mountains National Park, Romania*  
Dissertation author: Alina Szabo  
Year of enrollment: 2009/2010
4. *Adaptive Management in Protected Areas in Hungary*  
Dissertation author: Agnes Bruszik  
Year of enrollment: 2009/2010
5. *Water governance and sustainable rural livelihoods: the case of irrigation reform at Wovwe, Malawi*  
Dissertation author: Jolly Wasambo  
Year of enrollment: 2007/2008

### **Doctoral (committee member)**

1. *Analysis of the dynamics of human-elephant interactions (HEI) in the GLTFCA in response to changing socio-ecological systems*  
Dissertation author: Mary M. Ngwenya  
Year of enrollment: 2017 [University of South Africa (UNISA)]
2. *Fate Control and Human Rights: Land, Governance and Wellbeing in America's Arctic*  
Dissertation author: Mara Kimmel  
Year of enrollment: 2010/2011

### **Master's**

1. *The effects of cannabis legalization on forest management and conservation efforts in U.S. national forests in the Pacific Northwest*  
Thesis author: Mark Klassen  
Year of Enrollment: 2017/2018
2. *Use of Modified Threat Reduction Assessment to Estimate the Conservation Effectiveness of Protected Areas in Limpopo Province, South Africa*  
Thesis author: Luna Milatovic  
Year of Enrollment: 2016/2017

3. *Local attitudes toward wolves and wolf management in/around Bükk National Park, Hungary*  
Thesis author: Katalin Tarr  
Year of Enrollment: 2016/2017
4. *Community attitudes toward bears, bear bile use and bear conservation in Luang Prabang, Lao PDR*  
Thesis author: Darunee Sukanan  
Year of Enrollment: 2016/2017
5. *“Europe’s New Wild”: A study of the management and planning of European rewilding projects*  
Thesis author: Maximiliaan Beeldens  
Year of Enrollment: 2015/2016
6. *Mapping the Conflict of Raptor Conservation and Recreational Shooting in the Batumi Bottleneck, Georgia*  
Thesis author: Anna Sandor  
Year of Enrollment: 2014/2015
7. *Turning green into black in REDD+ forests: Preventing deforestation for charcoal production in the Kasigau Corridor REDD+ Project Area (Kenya)*  
Thesis author: Ivana Kesten  
Year of Enrollment: 2014/2015
8. *Population dynamics of rural livestock populations in mopaneveld savanna, Ba-Phalaborwa Municipality, South Africa*  
Thesis author: Sergio Rejado Albaina  
Year of Enrollment: 2012/2013
9. *Fuelwood use and harvesting patterns by rural households from the Kruger-to-Canyons Biosphere Region in South Africa*  
Thesis author: Jimena Montané Azpiri  
Year of Enrollment: 2012/2013
10. *Enabling Factors for Successful Community Led Collaborative Governance: A Case Study of Te Korowai o Te Tai o Marokura Kaikōura Coastal Marine Guardians*  
Thesis author: Elana Michèle Hawke  
Year of Enrollment: 2012/2013
11. *Insect monitoring and inventorying in Table Mountain National Park, South Africa: a case study of the ant community and invasive Argentine ant*  
Thesis author: Emily Djock  
Year of enrollment: 2012/2013
12. *Protected Area Management Effectiveness in Grenada: A Modified Threat Reduction Assessment of the Molinière/Beauséjour Marine Protected Area*  
Thesis author: Erin Loughney  
Year of enrollment: 2012/2013

13. *Protecting green spaces: Identifying areas for protection in Felsőrákos meadows (Budapest, Hungary) through habitat mapping*  
Thesis author: Lea Végh  
Year of enrollment: 2011/2012
14. *Assessing biodiversity threat mitigation efficacy: A case study of Kakum Conservation Area (2004 to 2012)*  
Thesis author: Brittney Anderson  
Year of enrollment: 2011/2012
15. *Setting the priorities for threat reduction management in protected areas in Ukraine*  
Thesis author: Olena Kovalenko  
Year of enrollment: 2011/2012
16. *Assessing the influence of tourism in Khar Us Nuur National Park, Mongolia with the Modified Threat Reduction Assessment*  
Thesis author: Anudari Ganbaatar  
Year of enrollment: 2010/2011
17. *Vegetation biodiversity survey and seed rain assessment as part of long-term reforestation monitoring at the Cloud Forest School in Monteverde, Costa Rica*  
Thesis author: Lisa Lamb  
Year of enrollment: 2010/2011
18. *The need for improved monitoring for carnivore management: A case study in the Rodna Mountains, Romania*  
Thesis author: James David Duncan  
Year of enrollment: 2009/2010
19. *Philippines small scale fisheries towards sustainable development*  
Thesis author: Fanny Lie  
Year of enrollment: 2009/2010
20. *Understanding the Conflict between Wild Boar and Humans in the Department of the Moselle, France*  
Thesis author: Mark Ryan  
Year of enrollment: 2009/2010
21. *Transboundary cooperation concerning bird migration: case study of Fertő Hanság National Park in Hungary and Neusiedler see Seewinkel National park in Austria*  
Thesis author: Kateryna Bauman  
Year of enrollment: 2008/2009
22. *Alteration of the alpine vegetation due to climate change in the Karwendel Alps, Tyrol, Austria*  
Thesis author: Agnes Zolyomi  
Year of enrollment: 2008/2009

23. *The role of "Environment" domain as a determinant of aboriginal community health of the Fond du Lac Denesuline First Nation in Northern Saskatchewan, Canada: A local perspective*  
Thesis author: Soultana Stylianidou  
Year of enrollment: 2008/2009
  
24. *Human wildlife conflict management around Kakum Conservation Area, Ghana*  
Thesis author: Akua Mwendalubi Addo Boadu  
Year of enrollment: 2008/2009
  
25. *Climate Change Impact on Biodiversity and its Implications for Protected Areas Management: Case study of Dashtidjum Zakaznik, Tajikistan*  
Thesis author: Anastasiya Idrisova  
Year of enrollment: 2008/2009
  
26. *At the coal face: Angler knowledge of environmental processes and its potential integration into management of New Zealand's Motueka River catchment*  
Thesis author: Anne-Claire Loftus  
Year of enrollment: 2007/2008
  
27. *The value of local biodiversity to communities in Madang Province, Papua New Guinea*  
Thesis author: Dalia Bastyte  
Year of enrollment: 2007/2008
  
28. *New insights into monitoring protected area management in Lebanon*  
Thesis author: Diane Matar  
Year of enrollment: 2007/2008
  
29. *Efficiency of policy measures for managing the introduction pathways of alien species in Estonia*  
Thesis author: Lilika Kais  
Year of enrollment: 2007/2008
  
30. *Indications of changes in life history of fish as a result of hydroelectric power plants construction on the Dniester River*  
Thesis author: Olga Kiseliova  
Year of enrollment: 2007/2008
  
31. *Protected Areas and Local Communities: The Case Study of Vanatori Neamt Natural Park, Romania*  
Thesis author: Doina Cojocariu  
Year of enrollment: 2006/2007
  
32. *The End of the Line? Benchmarking South Africa's Traditional Linefishery*  
Thesis author: John Duncan  
Year of enrollment: 2006/2007
  
33. *The Story of a Community Based Greenway Initiative: Rural Livelihoods and the "On Our Heritage Trail Greenway", Hungary*  
Thesis author: Agnes Kirschenbaum  
Year of enrollment: 2006/2007

34. *Protecting wildlife on public lands: national security and wildlife conservation along the United States-Mexico border*

Thesis author: Laura Cheney

Year of enrollment: 2006/2007

35. *Conservation attitudes of local people: the case of the Macin Mountains National Park, Romania*

Thesis author: Dragos Moldovan

Year of enrollment: 2005/2006
